

Glenn Greenwald - The Murderous History and Deceitful Function of the CIA

Written by Glenn Greenwald

Friday, 22 May 2020 07:40 - Last Updated Friday, 22 May 2020 07:43

On this week's episode of System Update, Glenn Greenwald talks to journalist Vincent Bevins about his newly launched book, *The Jakarta Method*. The book examines the series of mass murder programs engineered by the CIA with the purported goal of fighting communism during the Cold War, and how the consequences of these programs shape the global order -- and U.S. politics -- to this day.
